SUBJECT: Corrected pages for the revised MURR Requalification Program submitted  
January 7, 1997

Enclosed are two replacement pages (page 1 and page 3) for the revised MURR Requalification Program we submitted for approval January 7, 1997.

These replacement pages correct errors in our earlier submittal which were pointed out by Ted Michaels in a telephone conversation February 6, 1997. On page 1 we corrected two references to regulations and on page 3 we added a clarification regarding the conditions when an operator could review taped lectures on shift.

If there are any questions, please contact me at 573-882-5203 or Tony Schoone at 573-882-5296.

Sincerely,

Walt A. Meyer Jr.  
Reactor Manager
