**RE: License & Inspection Fee Invoice
LD AM3002-96**

Dear Sirs or Madame,

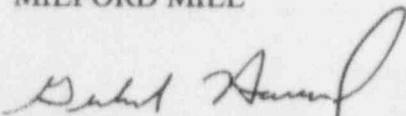

This letter is in response to a notice of delinquent debt received by our facility on 7/23/96 for invoice number LD AM3002-96 (copy enclosed) regarding the annual nuclear license fee for our facility.

In a letter sent to the NRC on 4/9/96 we requested and received from the NRC a termination of our old license No. 29-16552-01. Attached are copies of that correspondence.

Since we do not currently hold a nuclear license, payment of an invoice for an annual license should not be required. We would appreciate followup on your end to ensure that the invoice is appropriately addressed.

If you have any further questions or need additional information please do not hesitate to call me at (908) 995-3092.

Sincerely,
CROWN VANTAGE
