Dear Mrs. Crutchfield:

We spoke on June 20, 1996 regarding our receipt of an invoice for \$800.00 (Invoice #AM4600-96) representing a 50% proration of the 1996 Annual License Fee. Attached is a copy of the letter sent to our lab director from Mr. James M. Taylor, Executive Director for Operations. This letter led us to believe that our facility was granted an extension on the license termination date and the 1996 Annual Fee would not be owed. We are requesting that you read this letter and contact Mr. Taylor for clarification. You may reach me at (313) 224-1569 from 8:00 am to 4:00 pm.

Sincerely,
