Dear Mr. Montez:

I am responding to returned final notice Invoice AM4638-96 for License No. 25-19303-01. Attached to the invoice is termination certificate issued January 31, 1996.

As provided in 10 CFR 171.17 (copy enclosed), licenses for which termination requests are filed during the period October 1 through March 31 of the fiscal year are assessed one-half of the annual fee. Our records show that License 25-19303-01 was terminated January 31, 1996, in accordance with your request dated January 29, 1996. As stated on the original invoice (copy enclosed), the amount billed reflects the 50 percent proration. Therefore, Invoice AM4638-96 is due and payable.

An NRC Form 526, Certification of Small Entity Status, was enclosed with the original invoice. If you determine Engineering, Inc., meets NRC's small entity size standards and so certify by completing and returning the NRC Form 526 for FY 1996, the annual fee would be reduced as indicated on the form. Because the amount billed under Invoice AM4638-96 reflects a 50 percent proration of the annual fee, the amount due would be 50 percent of the amount shown on NRC Form 526 for the size standard under which Engineering, Inc., qualifies for each fee category reflected on the invoice. Payment of the reduced fee, if applicable, should be sent with the completed NRC Form 526 to the address listed on the invoice.

If you have any questions concerning this matter, please contact Rita Messier at 301-415-6067.

Sincerely,

J. M. Rodriguez
