RE: Monthly Progress Report for July, 1985

Dear Jeff:

This letter constitutes the monthly progress report for July, 1985, for Contract No. NRC-02-82-046 (Reviewing the Hydrogeologic Investigations of the Nevada Test Site--Project C).

Work conducted during the month of July consisted of technical review of two documents added to our data base. A written summary of one of the documents entitled "Preliminary Bounds on the Expected Postclosure Performance of the Yucca Mountain Repository Site, Southern Nevada", by Sinnock, Lin and Brannen (1984) was sent previously.

Sincerely,

Roy E. Williams
