Gentlemen:

This is in reference to the letter sent to B.J. Matter, M.D., July 10, 1985.

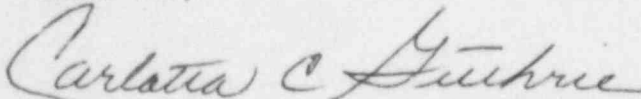

Enclosed is another copy of our material license and Dr. A.W. Czerwinski's certificate of completing NRC 313 M Training from Beta Diagnostics, San Antonio, Texas.

You mentioned in your letter we may have more than one location, because of the different letterhead stationary.

Presently, our only location for the Norland Bone Densitometer is 4312 Classen Blvd. At this site, we have a Hemodialysis Unit, owned and operated by B.J. Matter, M.D., Inc. We will be scanning renal patients and many of Dr. Matter and Dr. Czerwinski's regular office patients at this site. Their base offices are located here.

Dr. Matter and Dr. Czerwinski will be using the Norland Bone Densitometer at 4312 Classen Blvd. Okla. City, Oklahoma 73118.

Thank You,

Carlotta C. Guthrie
