1 includes experience as well as education, and in any event,
2 we'd like to hear Mr. Boyd's testimony. His qualifications
3 will be filed into the record and supplemented by
4 discussion that we've had.

5 MR. EVANS: So I have a full understanding,
6 could we have a statement to the scope of his expertise --
7 could be important. I don't know that it will.

8 MR. JOHNSON: I just wanted to add one
9 clarifying note. You mentioned something about designing
10 programs and I said managing and implementing. I would not
11 necessarily claim him as an expert to --

12 MR. EVANS: Oh, I have no objection to that. I
13 certainly have no objection to that.

14 MR. JOHNSON: -- present evidence --

15 CHAIRMAN BECHHOEFER: Why don't we just
16 proceed.

17 MR. EVANS: Thank you.

18 MR. JOHNSON: We should probably pass out our
19 exhibits and number them.

20 MS. CARROLL: And get that out of the way.

21 MR. EVANS: Don't we have them already?

22 MR. JOHNSON: You have them but we do have to
23 number them. We will number them quickly and then as we go
24 through the testimony --

25 CHAIRMAN BECHHOEFER: The qualifications will
