FROM: Walter Medina

SUBJECT: Other Interstate Nuclear Services (INS) Facilities That Discharge Plutonium

Paul, just a short note to inform you that the other INS facilities that have discharged plutonium in their effluents are the facility in Richland, Washington and the one in Columbia, South Carolina.

Kathleen

① Pls. add to CTRL Task #65286.

This is additional INFO relative to TAR on Submittal Requirements. Pls. pass onto Tom when collected.

② Also included are copies of sample analysis results for sampling done at STP by NM.

③ Pls. provide copies of ~~both~~ entire package (both 1 & 2) to Don Cool and Bob O'Connell.

OSP Copy

11/13/97

→ Please return to Tom O'Brien when finished.

→ D. Cool should have a copy of package

Thanks

Paul
