Re: License #21-26714-01 issued to Plastatech Engineering, Ltd., Saginaw, Michigan 48601

Dear Sir:

This letter is to comply with section 20-A & 20-B of our license.

The facility has been constructed, the equipment has been installed and production will be initiated in late October or early November of 1996.

If you have any questions you may contact me at our Saginaw, Michigan office. (800-248-0280)

Sincerely,

Tom Dorsey
