Dear Mr. Standerfer:

By letter dated January 25, 1985, you submitted a training program for licensing Fuel Handling Senior Operators. You provided additional information to the staff in letters dated June 18, 1985 and July 26, 1985.

As discussed in the enclosure, we request that you 1) keep the NRC informed of the training and certification schedule for each new phase of defueling, and 2) update your program to reflect information provided in new or revised SER's and any new On-the-Job Training.

Sincerely,
