SUBJECT: ACCEPTABLE CHANGES TO DATA SUBMISSION SCHEDULE

Dear Mr. Ellis:

In your letter of October 25, 1996, you stated that information on the conceptual design of decommissioning alternatives and supplemental environmental information will be submitted by December 6, 1996. The original plan was to submit this information in October 1996. Based on the data the staff currently has, and the plans for conducting analyses, the December date is acceptable and will not adversely affect the schedule.

If you have any further changes or any questions, please contact Jim Shepherd, of my staff, at (301) 415-6712.

Sincerely,

[ORIGINAL SIGNED BY]
