Docket # 030-33940

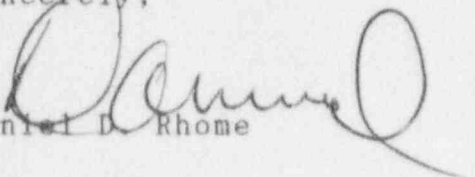

Attention: Materials Licensing Section

Per the above captioned information, Ohio - West Virginia Excavating Company respectfully notifies this commission that we do now have a nuclear gauge in our possession. Our gauge is a Troxler model 3430 as manufactured by Troxler Electronic Laboratories, Inc. The serial # is 26348 and all gauge certifications are on file should you need additional information.

This gauge was transferred to Ohio - West Virginia Excavating Company from Troxler on September 19, 1996 and was received at our office on September 20, 1996.

Should you require additional information, please do not hesitate to contact our office at (614) 676-7464.

Sincerely,

  
Daniel D. Rhome
