Chemetron Corporation

Dear Mr. Fannin:

On October 22, 1996, you requested that we change our point of contact for the Chemetron project from Mr. David Sargent to Mr. Joseph R. Brendel of Thorp, Reed & Armstrong. Because we want to establish principal contacts with licensee personnel rather than outside attorneys or consultants, after discussing this matter with Mr. Brendel, I have replaced Mr. Sargent with you as the Chemetron contact and added Mr. Brendel to our Chemetron distribution list.

If you have any questions or wish to designate another Chemetron employee as the principal contact, please contact me at 301-415-7299.

Sincerely,
