Date of Declassification 8/13/96

CLASSIFICATION REVIEW OF SUBMITTALS BY LOCKHEED PROPULSION COMPANY --
DOCKET NO. 70-1136

The subject Docket No. 70-1136 submitted to us with your memo of September 30, 1968 has been reviewed and the determination made that each of the enclosures, identified as follows, contain classified information and must be classified Confidential Restricted Data, Group 1:

1. License Application for Special Nuclear Materials, dated August 26, 1968. (Control #3068)
2. Letter dated September 6, 1968, from Lockheed Propulsion Company with two (2) sketches and a copy of their "Emergency Control Plan" attached. (Control #3158)

The booklet included with enclosure "2", entitled "Emergency Control Plan" does not contain any classified information and therefore, may be issued as unclassified.

The subject material has been classified Confidential Restricted Data Group 1. Please have all copies of the documents "1" and "2" classified as indicated above. The transmitted copies of the documents are being retained in our files.
