Docket No. 70-3085

Subject: Parks Shallow Land Disposal Facility (SLDA)

Dear Ms. Astwood:

This is a follow up to your discussion with Kathleen Schoen of ARCO on January 23, 1997 and requests an estimate of the anticipated recoverable costs for the NRC's review of the Parks SLDA Environmental Impact Statement and other associated requests starting from your last invoice dated 12/09/96 (covering the period 6/23/96-9/28/96) through calendar year 1997.

In addition, we would appreciate an estimate of recoverable costs by calendar years starting on January 1, 1998 through project completion, assuming a ROD issuance in the first quarter of 1998.

Your efforts in this matter are appreciated. Please advise if you should have any questions.

Sincerely,

Philip R. Rosenthal  
Senior Project Manager
