SUBJECT: QUALITY MANAGEMENT SYSTEM (QMS), REVISION 1

Dear Mr. Liparulo:

Your proposed change to the Westinghouse Quality Management System (QMS) Revision 1 was submitted for NRC review by your letter of October 16, 1996. The change proposes to reflect the implementation of the QMS commitments at a functional unit within the Westinghouse Government and Environmental Services Company (GESCO).

Based on our review of the information provided, we have concluded that your proposed change to QMS, Revision 1, continues to meet the requirements of 10 CFR 50, Appendix B.

It is our understanding that the QMS will be revised to reflect the quality program interface provision discussed in your letter of October 16, 1996. We request that holders of the QMS be informed of the change. Any questions on the above should be directed to Robert A. Gramm of my staff on (301) 415-1010.

Sincerely yours,
