RE: Notice of Violation
Corrective Action

Gentlemen:

Please be advised that I have submitted an application for a new license to the Materials License Branch. The application was mailed on July 8, 1985 along with the \$230.00 fee. The license period will be monitored more closely in the future. In the mean time, our guage is in storage and is not being used.

Sincerely,

Larry E. Clark
Managing Consultant
