

NOV 18 1996

Docket No. 50-128

Dr. B. Don Russell, Deputy Director
Texas Engineering Experiment Station
Texas A&M University System
College Station, Texas 77843-3575

Dear Dr. Russell:

SUBJECT: TRANSMITTAL OF SENIOR OPERATOR LICENSE CERTIFICATES

I am pleased to forward the enclosed certificates to the following newly licensed individuals at Texas A&M University System:

<u>NAME</u>	<u>LICENSE TYPE</u>
Michael Grey Demotte	SRO
Michael Lynn Spellman	SRO

The Commission provides these certificates, suitable for framing, to all new operator and senior operator licensees in recognition of the important role licensed operators fulfill in protecting the health and safety of the public, and of the achievement represented by meeting all the NRC requirements for these licenses. These certificates are in addition to the actual license, which is issued, and later renewed, as a letter.

The Commission and I request that you convey our personal congratulations to the above individuals.

If you have any questions, please contact Seymour H. Weiss, at (301) 415-2170.

Sincerely,

(S)

Thomas T. Martin, Director
Division of Reactor Program Management
Office of Nuclear Reactor Regulation
