FREEDOM OF INFORMATION
ACT REQUEST

FOIA-85-197
rec'd 03/26/85

Dear Mr. Felton:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of all documents written or received by the Nuclear Regulatory Commission subsequent to a Dec. 31, 1984, Office of Inspector and Auditor report on Region II and the Grand Gulf 1 nuclear plant. The documents should include all memoranda written or received by the NRC Chairman, other commissioners, staff and commission offices.

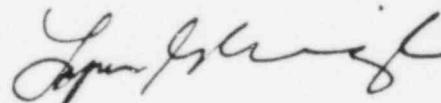

The Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference. I reserve the right to appeal any FERC decision to withhold any materials.

I am a journalist employed by The Times-Picayune/The States-Item, and intend to use the information as a basis for newspaper articles. Therefore, I ask that you waive all search and duplication fees.

I am making this request as a journalist, and, as this information is of timely value, I would appreciate hearing from your office by telephone if there are any questions regarding my request.

Thank you for your assistance. I look forward to receiving a reply within 10 days, as required by law.

Sincerely,

Lynn Cunningham
