

NOV 18 1996

Docket No. 50-002

Dr. Ronald F. Fleming, Director
Phoenix Memorial Laboratory
Ford Nuclear Reactor
University of Michigan
2301 Bonisteel Boulevard
Ann Arbor, Michigan 48109-2100

Dear Dr. Fleming:

SUBJECT: TRANSMITTAL OF SENIOR OPERATOR LICENSE CERTIFICATE

I am pleased to forward the enclosed certificate to Mr. James W. Young.

The Commission provides these certificates, suitable for framing, to all new operator and senior operator licensees in recognition of the important role licensed operators fulfill in protecting the health and safety of the public, and of the achievement represented by meeting all the NRC requirements for these licenses. These certificates are in addition to the actual license, which is issued, and later renewed, as a letter.

The Commission and I request that you convey our personal congratulations to Mr. Young.

If you have any questions, please contact Seymour H. Weiss, at (301) 415-2170.

Sincerely,

(S)

Thomas T. Martin, Director
Division of Reactor Program Management
Office of Nuclear Reactor Regulation
