Dear Mr. Witter:

I am responding to your July 30, 1996, letter regarding Invoice No. AM3384-96 for Quality Assurance Program Approval No. 0763 (QA-0763). Your letter requests a termination of QA-0763 and a waiver of Invoice No. AM3384-96. Your letter states that you completed authorized activities in NRC non-Agreement States under a reciprocity license applied for in February 1995. On your July 30, 1996, letter, QA-0763 was terminated August 8, 1996. The Region IV office indicates that reciprocity activities occurred between February 8, 1995, and March 31, 1995).

Footnote 1 of 10 CFR 171.16 provides that the annual fee is waived when a license is terminated prior to October 1 of each fiscal year. The 1996 annual fee is waived for licensees and holders of certificates, registrations, and approvals who either filed for termination of their licenses or approvals or filed for possession only/storage only licenses prior to October 1, 1995, and permanently ceased licensed activities by September 30, 1995.

Based on the information provided, the NRC: (1) grants an extension of time to file for termination to July 30, 1996, for purposes of avoiding the FY 1996 annual fee; (2) acknowledges QA-0763 was terminated August 3, 1996, in accordance with your July 30, 1996, request; (3) acknowledges that your need for QA-0763 ceased prior to October 1995; and (4) acknowledges that the need for you to request termination of QA-0763 may not have been clear to you in time for you to timely file a termination request. Invoice No. AM3384-96 is cancelled.

Sincerely,

James M. Taylor
Executive Director
for Operations
