Dear Mrs. Prange,

Tripler Army Medical Center (TAMC) has recently been tasked to establish a Radiological Advisory Medical Team (RAMT) whose mission is to provide emergency response to any radiological crisis in the Pacific theater. Both MAJ Jason Dunavant and Mr. Wayne Wafford have been assigned as members of this team and could be called to deploy with the RAMT. These deployments would not last more than 5 days.

Since Mr. Wafford is one of our Alternate RSO's, we would like to add Dr. Don Tolbert as another Alternate RSO. Therefore, in the event the RAMT is deployed, Dr. Tolbert would act as the RSO. In the event the RAMT is deployed and Dr. Tolbert is not available, Mr. Mahendra Patel would act as the RSO. Dr. Tolbert's NRC Form 313M-Supplement A and Curriculum Vitae are attached.

If you have any questions, please contact MAJ Jason Dunavant at (808) 433-6471.

Sincerely,

Jason D. Dunavant  
Major, U.S. Army  
Chief, Health Physics
