

## REPORT OF INTERVIEW

Name: Norman Joseph HALLENBECK  
Title: Former Welding Supervisor (Resigned)  
Florida Power and Light Company (FP&L)/St. Lucie Nuclear Plant  
Address: [REDACTED]  
Home Phone: [REDACTED] 7C

HALLENBECK was telephonically interviewed by Nuclear Regulatory Commission (NRC), Office of Investigations, Investigator, Vanessa G. Selewski, on December 15, 1994, regarding details surrounding the attached letter forwarded by him to this office. HALLENBECK provided the following information.

[REDACTED]

[REDACTED] 7C

HALLENBECK related that Herman FAGLEY, FP&L Construction Services Site Manager, Dale JACOBS, Welding Engineer, and POARCH would deny his allegations and make him (HALLENBECK) look like the "bad guy." HALLENBECK added that if nothing else results from this investigation, he wants POARCH "watched."

INVESTIGATOR'S NOTE: I explained to HALLENBECK that after I interviewed POARCH and witnesses, I would conduct a personal interview with him.

This report of interview was prepared on December 16, 1994.
