Laboratory for Electronics, Inc.
Tracerlab Division
1601 Trapelo Road
Waltham 54, Massachusetts

Attention: Mr. William Karp
Manager, Sources Department

Gentlemen:

Reference is made to your letter dated December 11, 1963, and the enclosed drawings and description of your Source Models CS-15 and CD-15.

We have evaluated the design of the sources and find them acceptable for licensing purposes.

Very truly yours,

William O. Miller
Isotopes Branch
Division of Licensing
and Regulation
