White Mesa Uranium Mill
P.O. Box 787
Blanding, UT 84511

Gentlemen:

We have completed our review of the environmental monitoring program portion of Source Material License SUA-1358. An Environmental Assessment was performed by the staff which evaluates your proposed program. For your information, we are enclosing a copy of the Environmental Assessment proposed by our staff in consideration of the future issuance of your license renewal.

Also enclosed is a copy of the August 6, 1985 Federal Register Publication of a Draft Finding of No Significant Impact regarding the renewal of your license.

Following the thirty day comment period and evaluation of any comments received in response to the publication in the Federal Register, we will schedule a pre-licensing conference with Umetco to review the final license prior to its being issued.
