Dear Mr. Donnelly:

Based on your letter dated April 9, 1996, we have added the new Electron Capture Detectors (ECD) to your current registration certificate NR-348-D-111-B.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As stated a general rule, you must request and obtain an amendment to the certificate before you make changes or modification to the information submitted to obtain the certificate.

Please read over the enclosed registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture or offer service support for the product.

Please be aware that, as a holder of an NRC registration, you may be subject to the NRC's licensing and inspection fees in accordance with 10 CFR Part 170, and annual fees in accordance with 10 CFR Part 171. If you have any questions concerning the fee requirements, please contact the License Fee and Debt Collection Branch at (301) 415-7544.

If you have any questions, please contact me at (301) 415-7857 or Mr. Steven Baggett at (301) 415-7273.

Sincerely,
