Gentlemen:

Subject: Inspection No. 85-16

This refers to the special safety inspection conducted by Laurence F. Friedman, PH.D., C.H.P. of this office on August 5, 1985, of activities authorized by NRC License Number 29-13848-01 and to the discussions of our findings held by Dr. Friedman with yourself at the conclusion of the inspection.

The area examined during this inspection was limited to a review of ongoing decommissioning activities at your facility. Within this area, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Within the scope of this inspection, no violations were observed.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:
