SUBJECT: INSPECTION NO. 040-09016/96-001

Dear Mr. Phillips:

This letter refers to your January 14, 1997, correspondence, in response to our December 16, 1996, letter.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

Regarding your plan to transfer all remaining DU cores and waste to Aerojet Ordnance, Jonesborough, Tennessee, Agreement State License No. S-90009-H96, we have no objections to this. In addition, your request for an amendment to change your Radiation Safety Officer is being processed.

Your cooperation with us is appreciated.

Sincerely,
