

November 25, 1996

Mr. Robert Link, Vice President
Nuclear Power
Wisconsin Electric Power Company
231 West Michigan Street - P379
Milwaukee, WI 53201

Dear Mr. Link:

This letter confirms the discussion between Mr. Michael Kunowski of this office and Mr. Terry Guay of your staff to reschedule a routine management meeting from November 27, 1996, at 10:00 a.m., at the Region III Office in Lisle, Illinois to December 5, 1996, at 10:00 a.m., at the Region III Office.

The purpose of this management meeting is to discuss Point Beach's process improvements for conducting operability evaluations, status of facility performance improvements, and issues required to be resolved prior to restarting Unit 2 following completion of its current refueling and steam generator replacement outage.

We will gladly discuss any questions you may have concerning this matter.

Sincerely,

J. W. McCormick-Barger, Chief
Reactor Projects Branch 7
