DEAR MR. KLEINE:

On June 15, 1995, you were examined in Industrial Radiography in the categories of both RADIOACTIVE MATERIALS and X-RAY MACHINES. I am pleased to inform you that you have passed the examination with a score of 75.

Your pending application for certification has been processed and your certification card is enclosed. Should you have any questions, please call me at 217/785-9915. Congratulations on your accomplishment in industrial radiography.

Sincerely,

A handwritten signature in dark ink, appearing to read "Charles W. Gutzman".

SUBJECT: ACKNOWLEDGEMENT OF CORRESPONDENCE
(Letter Received 10/23/96)

Dear Licensee:

In response to your request, we have completed the initial processing, which is an administrative review of your application for a(n):

☐ New License ☒ Amendment ☐ Renewal

Administrative deficiencies were identified during this initial review as outlined below. However, it should be noted that a technical review may identify additional omissions in the submitted information.

It appears that your request is routine (see 1-3 below as applicable).

Incomplete information is as follows: In order for us to complete your amendment request the required fee is necessary. Please contact our License Fee & Debt Collection Branch, located in our headquarters office, as referenced below.

1. New and amendment actions are normally processed within 90 days, unless we find major deficiencies, or policy issues requiring central program office assistance.
2. Renewal actions are normally processed within 180 days, however under timely filing (before expiration) you may continue to operate under your existing license.
3. Termination actions are normally processed within 90 days, unless confirmatory surveys following decontamination/decommissioning activities are involved.

A copy of your correspondence has been forwarded to our Licensing Fee and Debt Collection Branch (301/415-6097) for approval of the fee category and amount, if required.

If you have a compelling safety or business-related reason for requesting expedited review, please contact the Materials Licensing Branch at (630) 829-9887. We will try to complete your request as soon as practicable. Any correspondence about this request should reference the control number.
