Re: In the Matter of Commonwealth Edison Company  
(Braidwood Station, Units 1 and 2, Docket  
Nos. 50-456 and 50-457) *OL*

Gentlemen:

I am enclosing a report, dated September 3, 1985, concerning the status of Commonwealth Edison Company's ("Applicant") responses and objections to quality assurance interrogatories and document requests filed by Intervenor Rorem, et al. The report represents the understanding of Intervenor's counsel and he has concurred with it. The absence of counsel's signature was due simply to the difficulty of coordinating busy schedules.

The report represents Applicant's final position on the matter of Intervenor's July 2 interrogatories. The next action, if any, rests with counsel for the Intervenor.

Sincerely,

*Joseph Gallo*
