of Material Licensing

Gentlemen:

Please cancel our By-product Material License, 34-06558-06,
for the Hydrogen (3) by-product material at the 1945 East
97th Street, Cleveland, Ohio, location.

We have returned our only detector containing the titanium
tritide foil to the manufacturer, Varian Aerograph, formerly
Wilkins Instrument and Research, Inc.

It was sent with Varian's approval to the following address:

Attn: Jerry Van Ossenbruggen
Radiation, Safety Officer
Varian Aerograph
