STATUS REPORT REGARDING NRC STAFF RESPONSES AND
OBJECTIONS TO INTERVENORS' QUALITY ASSURANCE
INTERROGATORIES AND REQUESTS TO PRODUCE

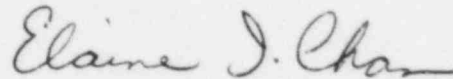

The NRC Staff Counsel submits the following status report reflecting the agreement reached between Staff Counsel and Robert Guild, Counsel for Bridget Little Rorem, et al. regarding responses and objections to Intervenor's first set of Quality Assurance Interrogatories and Requests to Produce dated July 2, 1985. The Staff filed Objections to Interrogatories and Motion for a Protective Order on July 30, 1985. ("Objection") On July 31, 1985 the Staff filed partial answers to interrogatories and supplemented its response August 8, 1985.

On August 14, 1985 Counsel for all parties met in Chicago to discuss Applicant's and Staff's objections to Rorem's interrogatories. As a result of that discussion and subsequent discussions by telephone Applicant and Staff Counsel reached separate agreements with Intervenor's Counsel regarding their respective responses and objections to Intervenor's interrogatories. The Intervenor and the Staff have

agreed and identified dates that the Staff will supplement some of its earlier responses and respond to other interrogatories to which the Staff objected in its July 30, 1985 objections.

Respectfully submitted,
