Medical, Academic, and Commercial
Use Safety Branch
Division of Industrial Safety
Office of Nuclear Material Safety
and Safeguards
Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Dear Mr. Smith:

As advised in our letter to Ms. Dolce, we are canceling our application for a possession license for Region 1. CPAD feels that it would be in its best interest to work out of Syracuse and we have established contact with the State of New York authorities. Mr. McEachern will keep you informed as the submission works its way through the State.

Sincerely,

A handwritten signature in dark ink, appearing to read "Scott Feagan", is written over a horizontal line.

Mr. Scott Feagan
President
