The Harshaw Chemical Company  
1945 East 97th Street  
Cleveland 6, Ohio

Attention: Mr. Andrew Ayllies  
Security Officer

Gentlemen:

Enclosed is Source Material License No. SUB-72.

As a source of supply for the material you intend to purchase,  
you may contact the following companies.

Spencer Chemical Company  
Dwight Building  
Kansas City 5, Missouri

S. W. Shattuck Co.  
1895 S. Hancock St.  
Denver, Colorado

Nuclear Materials and Equipment Corp.  
Apollo, Pennsylvania

Devicon Chemical Co.  
Erwin, Tennessee

The listing of these companies does not constitute an endorsement  
of the product by the Commission, nor is the list necessarily  
complete. We do not have information regarding the cost or avail-  
ability of uranium trifluoride.

Section 40.22 of the enclosed amended regulation, 10 CFR 40, "Source  
Material," effective February 13, 1961, provides a general license;  
certain persons may receive source material without being specifically  
licensed. Section 40.62 of the regulation 10 CFR 40 now in effect  
also pertains to general licenses.

Very truly yours,

BCC: Div. of Compliance

J. C. Delaney  
Chief, Nuclear Materials Branch  
Division of Licensing and Regulation
