MARSHAW CHEMICAL COMPANY
CLEVELAND, OHIO
INSPECTION CONDUCTED NOVEMBER 16, DECEMBER 7 AND 9, 1964

BYPRODUCT MATERIAL LICENSE NO. 34-4558-3 AND
SPECIAL NUCLEAR MATERIAL LICENSE NO. SNM-427 DOCKET NO. 70-472

SLR:ME

Attached for your concurrence is a notice of violation to Marshaw
Chemical Company.

We have not cited the Company for noncompliance with 10 CFR 30.3
as recommended by Region III with respect to the transfer of a
0.1 microcurie source to Indiana University during September, 1964.
According to paragraph 36 of the report, the University ordered the
source and represented to Marshaw, by supplying a license number,
that it was licensed to receive the source.
