Re: Docket 50-433

50-433

Dear Sir:

Please note that the attached letter is a duplicate of one we submitted on August 12, 1985. Your agency said that the letter should be notarized, and suggested we send another original. The nineteen copies of the Decommissioning Plan and Environmental Report are already in your possession with the first letter. If I can answer any questions, please feel free to call me at (805) 961-2770. Thank you.
