SUBMITTAL OF REVISION 7 TO THE SECURITY PERSONNEL TRAINING AND
QUALIFICATION PLAN

Gentlemen:

In accordance with 10 CFR 50.54(p)(2), Carolina Power and Light Company (CP&L) hereby transmits Revision 7 of the Brunswick Steam Electric Plant Security Personnel Training and Qualification Plan.

As specified in 10 CFR 50.4(b)(4)(iii), CP&L is submitting the signed original and three copies to the Document Control Desk. Each copy of the plan has attached a matrix describing the changes from the previous plan (Revision 6), including change justifications as required by 10 CFR 50.54(p). This evaluation determined that the changes do not decrease the overall effectiveness of the Plan.

The enclosed materials do not contain Safeguards Information. An evaluation conducted, concurrent with Revision 7 of this plan, determined that the information within the Plan no longer meets the *Safeguards Information To Be Protected* criteria described in 10 CFR 73.21(b)(1)(ix).

Please refer any questions regarding this submittal to Mr. Allen K. Britain at (910) 457-3645.
