Summary of Changes

RERP Section J, *Protective Response*, was revised to: change names from "Civil Defense" to "Emergency Management;" revise the location of Protected Area evacuation; change "Emergency Broadcast System" to "Emergency Alert System;" and change punctuation and format as necessary.

Please note that RERP - Section J does contain proprietary information which may not be released to the Public Document Room. (Proprietary information includes personnel names, company phone numbers, and any information which could impede emergency response.) These issues may be used for internal NRC copies of the forms and EPIP manuals. Censored versions of these documents have been provided for the Public Document Room.
