Dear Ms. Thurman:

I am responding to your September 19, 1996, letter notifying us that you are cancelling any future orders for a license fee from the NRC, that the U. S. Bureau of Mines has closed, and that your Salt Lake City location has been terminated.

NRC's regulations (10 CFR 171.17) provide that materials licensees who filed for termination during the period October 1, 1995, through March 31, 1996, are assessed one-half the FY 1996 annual fee. Since License 43-03238-01 was terminated February 7, 1996, based on your December 15, 1995, request, annual fee Invoice No. AM4656-96 was prorated accordingly.

We acknowledge receipt of your payment for Invoice AM4656-96, and your account is closed. Thank you for your prompt attention to the invoice.

Sincerely,
