MEMORANDUM FOR: V. Stello, Jr., Deputy Executive Director for Regional
Operations and Generic Requirements

FROM: B. H. Faulkenberry, Deputy Regional Administrator

SUBJECT: Revision of Regional Operating Plan

In accordance with Field Policy Manual, Procedure No. 3 - Revision 1, the enclosed revised copy (Revision 2) of the Region V Regional Operating Plan is being submitted to document certain resource allocation changes, in the Inspection and Enforcement, Nuclear Reactor Regulation, and Nuclear Material Safety and Safeguards Program Areas, that were made during our end of third quarter review. These resource changes were coordinated with and agreed to by IE, NRR, and NMSS. The current revisions are identified by a double bar (||) in the right hand margin of each page.
