SUBJECT: INSPECTION NOS. 030-30920/96-001 AND 99990001/96-006

Dear Mr. Laabs:

This letter refers to your October 9, 1996 correspondence, in response to our September 13, 1996 letter.

In your correspondence, you deny the apparent violations described in the Notice of Violation, enclosed with our September 13, 1996 letter, and provide the basis for down-grading the violations. Upon review of the information that you have provided, the violations have been downgraded to minor violations, of a record-keeping nature, and our records have been changed to reflect the change.

Thank you for informing us of the corrective and preventive actions documented in your letter, concerning the non-cited violations contained in the cover letter of our September 13, 1996 letter, and the minor violations. Also, thank you for informing us of the actions that you have taken regarding the concerns expressed in our letter. These actions will be examined during a future inspection of your licensed program.

Your cooperation with us is appreciated.

Sincerely,
