APRIL 1997 GENERIC FUNDAMENTALS EXAMINATION SECTION

Dear Mr. Reyes:

In a letter to Carolina Power & Light Company (CP&L) dated February 6, 1997, the Nuclear Regulatory Commission (NRC) discussed plans to administer the Generic Fundamentals Examination (GFE) section of the written operator licensing examination for the Brunswick Steam Electric Plant (BSEP) on April 9, 1997. The NRC letter requested that CP&L either submit a letter to register personnel who will take the examination or submit a letter indicating that no candidates are scheduled to participate in the GFE. Receipt of the response letter was requested no later than 30 days before the examination date.

The Brunswick Steam Electric Plant will not have any individuals participating in the Generic Fundamentals Examination (GFE) section of the written operator licensing examination to be administered on April 9, 1997.

Please refer any questions regarding this submittal to George Barnes at (910) 457-2197.

Sincerely,

Mark A. Turkal
