December 2, 1996

Dear Mr. Gaston:

I am responding to the note on the returned second notice for Invoice No. AM0460-96 (License No. 25-27006-01) which states "Please see attached letter". The referenced letter is notification of the one-time extension of the expiration date of your invoice. We received the returned second notice August 1, 1996.

The fee billed on Invoice AM0460-96 is not a renewal fee but rather an annual fee assessed under the provisions of 10 CFR Part 171. Notices of the FY 1996 proposed and final revisions to the Commission's fee regulations, 10 CFR Part 171, were mailed to all NRC licensees on January 29, and April 11, 1996, respectively. For your convenience, enclosed is an additional copy of the April 11, 1996, notice of the final rulemaking, which further explains the Commission's fee regulation. In accordance with the revisions to 10 CFR Part 171, holders of materials licenses and approvals are subject to application, amendment and annual fees. We acknowledge receipt of payment of \$1600 for Invoice AM0460-96 received November 19, 1996.

I am waiving all interest and late charges of \$124.72 in accordance with 10 CFR 15.55(c) since it appears you believed the invoice was for the five-year renewal.

If you have any questions concerning this matter, please contact Rita Messier at 301-415-6067.

Sincerely,

Original signed by
