RE: Response to Request for Further Clarification and Additional Information of Responses;
Safety Analysis Review and Environmental Review for the Hydro Resources, Inc.
Uranium Solution Mining License Application, Crownpoint, New Mexico.

Dear Mr. Gillen:

By telephone conversation today, Mr. Ford, of your staff, informed me of an error in Q2/71b, which was submitted to your office on August 15, 1996. We have revised Q2/71b, by replacing the reference to "Churchrock" with "Crownpoint". The submittal of August 15 can be updated simply by replacing the attached revised page.

Please call if you have any questions regarding this matter.

Sincerely,

Mark S. Pelizza
Vice President
Health, Safety and Environmental Affairs
