**RE: Merger of Laidlaw Environmental Services, Inc. and  
Rollins Environmental Services, Inc.**

Dear Ms. Watson:

You may have become aware of the planned merger involving Rollins Environmental Services, Inc. ("Rollins") and Laidlaw Environmental Services, Inc. ("Laidlaw"). The Laidlaw subsidiary(ies) located in your jurisdiction are listed below:

Permittee

PPM, Inc. of Georgia

Permit No.

Materials License 24-26448-01

The permittee will not change its distinct corporate identity by virtue of the transaction. The permittee will continue to own and operate its respective facility. No change to the physical plant, personnel or procedures are planned at this time. The financial assurance mechanism currently in place will remain in place for the foreseeable future. Accordingly, we do not believe the merger involving corporate parents creates a permit issue requiring any permit change.

If you have any questions, please feel free to contact me at (803) 551-4393.

Sincerely yours,

*Ashley T. Chadwick*
