Re: Request for a New License of
Existing License No. 37-28607-01

Dear Ms. Johansen:

This transmittal is to notify you that Youshak & Youshak, Inc. is in receipt of your December 19, 1996 letter, and is formally requesting the Commission for a new license as per your direction outlined in the December 19, 1996 document.

Youshak & Youshak, Inc. requests the Commission for a new material license to handle a radioactive source as outlined in our present License No. 37-28607-01. As you are aware, Youshak & Youshak, Inc. paid the Commission in full on September 24, 1996 for fees up to the end of the 1996 calendar year. It is anticipated that no filing fee will be required for this activity due to the fact that a ruling made by the NRC Office of the General Counsel ("OGC") administratively required this application.
