Application For Amendment To License Number 34-00293-02

Revision to Item 17.4 of The Ohio State University Application for Renewal, Dated July 28, 1986

Please revise the last paragraph of item 17.4 of The Ohio State University Application for Renewal, dated July 28, 1986 to allow the Radiation Safety Section to conform with the US Nuclear Regulatory Commission criteria as described in Table 1 of "Guidelines for Decontamination of Facilities and Equipment Prior to Release for Unrestricted Use or Termination of Licenses for Byproduct, Source, or Special Nuclear Material" (NRC, August 1987). This criteria will be used by the Radiation Safety Section to release items, laboratories, and facilities for unrestricted use.
