Dear Sir:

This is a letter of intent to relocate the Nuclear Medicine Division from the third floor (3 West Extension) of this institution to the second floor (2 West Extension).

The relocation will begin June 28, 1985 and be complete somewhere toward the end of July, 1985.

A floor plan of the new location and detailed diagram of the Hot Lab will accompany an appropriate request to amend our license #34-01131-01 as soon as relocation is near completion.

Sincerely,

C.A. Hixson, M.D.
