

March 3, 1997

Mr. Gus Savastano
Radiation Control Program
Department of Public Health
305 South Street, 7th Floor
Jamaica Plain, MA 02130

Dear Mr. Savastano:

This is in reference to the transferring of the Sealed Source and Device files to the State of Massachusetts from the Nuclear Regulatory Commission. Enclosed are boxes of the active Sealed Source and Device files and supporting documentation, Copies of E-Distribution Licenses, In Vitro General licenses, Registration of Use of Depleted Uranium and documents from the Division of Waste Management.

If you have any questions or concerns, please feel free to contact Kim Randall at (301) 415-7857.

Sincerely,

LS/

Larry W. Camper, Chief
Medical, Academic and
Commercial Safety Branch
Division of Industrial and
Medical Nuclear Safety, NMSS

Enclosure: As Stated
